

Dear **NAPTA members**:

The Center for Transportation Excellence (CFTE) is preparing a new research report on ballot measures related to public transportation. This report will examine the recent history of these ballot initiatives and referenda while quantifying a variety of key factors.

The report will also examine dynamics related to ballot initiative success and attempt to detail the growth in local support and voter-approved financing for public transportation. In order that your insights and perspectives are reflected in this study, you are asked to provide information on any transit ballot measure that took place in your community in the years 2000 – 2006. Please visit [www.napta.net](http://www.napta.net) to obtain a copy of the ball measure survey and forward the information to [info@cfte.org](mailto:info@cfte.org) as soon as possible.

Here is a list of the information being compiled for each initiative:

1. Location:
  
2. Ballot Proposal (Summary of Proposal):
  
3. Category (check one)
  - District / Authority Creation
  - Finance
  - District / Authority Inclusion / Exclusion
  - Advisory
  - Reassurance
  - Constitutional Amendment
  - Other
  
4. Revenue Amount (Total): \$
  
5. Revenue Amount (Transportation): \$
  
6. Revenue Amount (Transit): \$

7. Revenue Category (check one):
- Sales Tax
  - Property Tax
  - Bonds
  - Dedicated Revenue / Tax
  - Sales Tax Extension
  - Property Tax Extension
  - Other

8. Election Date:

9. Result & Vote Tally:

10. Campaign Organization:

11. Sponsoring Organization:

12. Additional information:
